SYRACUSE REGIONAL AIRPORT AUTHORITY

REQUEST FOR PROPOSALS

INFORMATION TECHNOLOGY MANAGEMENT SERVICES
AT THE
SYRACUSE HANCOCK INTERNATIONAL AIRPORT

RFP Reference 03-2014

SYRACUSE, NEW YORK

ADDENDUM # 3

To All Holders of above referenced Request for Proposals ("RFP") and the Attachments to it:

Your attention is directed to the following interpretations of, changes in, and/or additions to the Request for Proposals for the above-referenced RFP.   All proposal adjustments caused by the content of the Addendum shall include the cost of materials and labor related to the items herein and for any subsequent adjustments to the RFP and the attachments thereto to accommodate the work stated herein.

This Addendum is part of the RFP in accordance with the provisions of RFP Section 1.15, Amendments and Addenda. Respondents shall be responsible for the full context of changes, interpretations, and clarifications to the RFP and shall take the same into consideration when preparing their proposal. This Addendum shall also be part of any contract awarded as a result of the RFP.

No allowance will be made for Respondents that submit a proposal that is not in compliance with the RFP requirements due to the Respondents' failure to address changes to the RFP made by this Addendum.

This addendum consists of two pages and no attachments. The Syracuse Regional Airport Authority **requires** all bidders to complete the attached Information Technology Management Services RFP Response Sheet with their proposals. If a bidder seeks an exemption from an item listed in the Response Sheet, the bidder must state on the face of the Response Sheet that the bidder seeks an exemption and a reason why. Bidders may attach additional pages to the Response Sheet if necessary.

Question	Syracuse Regional Airport Authority Response
1. How many PC's are in the current environment? If possible, can you tell us what operating system and version is loaded on the PC's?	The Authority believes there are about 60 between desktop, laptop, and thin clients all together. Windows 7 Pro.
2. How many network devices?	Approximately 1 Router, 1 Firewall, and 20 Switches. See Addendum 2, Question 9.
3. How many physical and virtual servers?	Approximately 4 physical servers and 27 virtual servers. See Addendum 2, Question 9.

The remainder of the above referenced Requests for Proposals shall remain unchanged and shall continue in full force and effect.
