Syracuse Regional Airport Authority's Executive Director Awarded Certified Member Status

Syracuse, New York – The Syracuse Regional Airport Authority's Executive Director Christina R. Callahan has a new credential to add to her name; C.M. Ms. Callahan was recently awarded Certified Member status by the American Association of Airport Executives (AAAE).

This status is given to members who pass the Certified Member exam. The exam covers areas an airport manager should have a solid working knowledge of, including airport finance and administration, planning, construction and environmental, airport operations, security and maintenance, communications, legislative affairs, air service development and community relations. The purpose of the multiple choice exam is to document that the airport professionals have mastered the bodies of knowledge essential to carrying out management responsibilities. The program represents one's dedication to obtain knowledge and achieve the highest level of professionalism the industry has to offer.

On behalf of the Authority, congratulations Christina R. Callahan, C.M.!
