### TSA Pre-✓® Enrollment Center to Open at Syracuse Hancock International Airport

**Syracuse, New York** – The Syracuse Regional Airport Authority is pleased to announce The Transportation Security Administration is ready to open their TSA Pre✓® Enrollment Center at Syracuse Hancock International Airport. The center was installed at the Airport Tuesday November 3, 2015 and will be officially opened with a ribbon-cutting ceremony on Friday November 13, 2015 at 10:30am.

With great help from Senator Charles Schumer, TSA decided to install the enrollment center at the airport to provide passengers in our region with a convenient location to enroll in the program. TSA Pre✓® allows enrolled passengers to move through an expedited screening program where they are not required to remove their shoes, light outerwear, belts, laptops or 3-1-1 compliant liquids. Approximately 140 airports and 12 airlines participate in TSA Pre✓® nationwide.

“With the great news that the Syracuse TSA Pre-Check center will be up-and-running, there is only one thing left for Central New Yorkers to do – enroll. This center will mean Syracuse travelers no longer have to travel 40 minutes out of the way to register and can instead experience a more convenient travel experience with reduced wait times,” said **Senator Charles E. Schumer**. “Syracuse Hancock International Airport is a major hub for business and leisure travelers alike, and I was proud to help bring this program to Central NY, which will shorten security lines and make travelers’ days a lot less stressful.”

“Pre-check is a convenient system that will make travelling easier and more efficient for Central New Yorkers,” said **Syracuse Mayor Stephanie A. Miner**. “I am pleased that Syracuse residents will now be able to enroll in this program at a center at the Syracuse Hancock International Airport.”

The Center will be open for walk in appointments from 9am – 12pm on Nov. 11 & 12 as a soft launch and from 9am-5pm for walk-ins on Nov. 13 as its grand opening. Following the opening, the center will be open Monday through Friday from 9am to 3pm for *appointments only* until there is enough staff to accommodate walk-ins as well. Those wishing to make an appointment
