

Financial Consulting Services  
Final Response to Respondent's Questions  
RFP#: 2018-04

<b>Question</b>	<b>SRAA Answer</b>
I am requesting clarification about page 12, section 6.1.2.a. Background of Firm. There, the RFP specifies the requirement to provide a list of personnel. Our firm employs over 50 people, across practice areas not relevant to the work scope. Can you please clarify parameters for the list of personnel to be included?	Regarding 6.1.2.a., please provide this for your Management Team Only.  Regarding 6.1.2.b., this is for the Project Team Only – everyone that will be consulting with and working on this project with the Airport.
