The mission of the Syracuse Regional Airport Authority is to provide safe, secure, efficient and low-cost air transportation service to the 12-county region that Syracuse Hancock International Airport currently serves. The Authority seeks to stimulate air service, economic development, trade and tourism by focusing on the shared goals of its stakeholders: more service to more destinations, lower operating costs and increased non-aeronautical revenue. The Authority recognizes that the Syracuse Hancock International Airport is a gateway to the central New York region and beyond and seeks to optimize customer service and exceed customer expectations with continuous improvements to the terminal building and public-use facilities.
