

Airport Concessions RFP #2023-19

**Final Response to Proposer's Questions
November 1, 2023**

Question	Answer
We were not a part of the mandatory pre-proposal meeting as we were unfortunately late to see this release, but we may be interest in proposing. Is the proposal still open to proposers who were unable to attend?	Unfortunately, the pre-proposal meeting that was held on October 4 th was mandatory and therefore, a proposal will unfortunately not be considered.
