RFP #2024-08
ADDENDUM #02
Issued May 16, 2024

IMPORTANT NOTE: In consideration with multiple requests, the SRAA has elected to extend the deadline for submission to May 24, 2024 at 4PM.

RFI #1

Where will the fixtures be stored?

Response to RFI #1

On SRAA property

RFI #2

How will the fixture materials be accessed?

Response to RFI #2

By direction of the SRAA Site Contact

RFI #3

How long is the airport badging process – are background checks, drug screenings, and airport security training required for this project?

Response to RFI #3

2-4 weeks normal process for badging. Training will be required both in person & online.

RFI #4

Will parking be validated for workers?

Response to RFI #4

Badged workers will be allowed to park in employee parking lot at no cost. Non-badged will park in lots & not be validated.

RFI #5

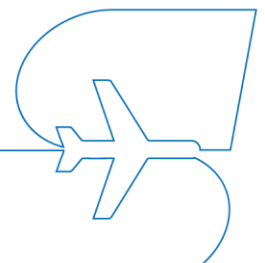

May Eco walk the property again? Request is for Wednesday, 5/15/24

Response to RFI #5

Email was sent cancelling this request.

RFI #6

When will the awarded contractor be made public?

Response to RFI #6

As soon as the selection committee reaches a decision, the award will be made public on the SRAA bids page.
