Roll Call

Chair DeSiato started the Audit Committee Meeting at 10:30 a.m. by welcoming everyone. As noted, all Committee members were present other than Mr. Kenneth Kinsey and Mr. Robert Simpson, therefore, a quorum was present.

New Business/Discussion:

Dr. DeSiato asked the committee if there were any changes recommended to the minutes from April 23, 2026, AAS Audit Committee meeting. Hearing none, she invited a motion to approve. Chair Falco made the motion and Mr. Lazar seconded. Vote was unanimous.

CFO Watkins discussed stated that Fust Charles Chambers went through a deep dive of the combined SRAA/AAS Audit for the Fiscal Year ending June 30, 2026, and asked if anyone had further questions. It was noted by General Counsel Yaus that the schedule of each individual entity (SRAA and AAS) will be separated in next years' report, but because there were minimal non-material transactions for only a part of the year, they were combined within one schedule this time. All parties understood and agreed unanimously to that plan of one Audit in the future with separate schedules for SRAA and AAS and to move the Draft audit for Fiscal year ending June 30, 2026, to recommend to the SRAA and AAS Boards for approval.

Adjournment

Having no other topics for discussion with the AAS Audit Committee, a motion was made by Ms. Falco and seconded by Mr. Lazar to adjourn the meeting. The motion was unanimously approved. The meeting was adjourned at 10:33 a.m.
